Communications from the Mayor: Mayor Boaz stated that this is the last round-of this administration, and he would like to say that he has certainly enjoyed working with the council. We have had great continuity. It has been a great experience. Joe Don White and Harold Fisher will be leaving going on bigger and better things. Dale Reynolds will also be leaving the council, but he is on other boards that he will be still on. It has been great working with him. Looking forward to pressing on.

Reports from Council.

Joe Don White stated that everyone knows that he is leaving. He stated that he questioned if he wanted to leave to run for another office because he did not want to leave the Parsons City Council. He has realized how important it is to get involved. He only wishes he had had done it sooner. If he could preach anything how important it is to get involved with government and community projects. It has been fun to be part of what has been done.

Dale Reynolds said it had been a pleasure to work with the mayor and council. He was surprised with the vote, but the people have spoken. There lost is his gain.

Harold Fisher said he is thankful to worked with everyone. He thinks the good Lord who gave him the opportunity to serve on the council. He is going to pray hard, work hard , study hard, and the Lord has something else for us.

Dwight Lancaster stated that Harold Fisher is probably the only one who may have served the longest as a council member. It has probably been 28 to 30 years.
