**Special Call Meeting Details:**

This meeting was to make plans to justify a workable agreement on behalf of the City of Parsons portion of funding for the Beech River Regional Airport. Most council members seemed interested in finding a solution that would be fair and equitable to the City of Parsons and Beech River Regional Airport.

This item will also need to be addressed as well: \$100,000.00 plus that Henderson County diverted to their general funds from the airport that was supposed to be personal property tax from business owned aircraft.

A decision will be made at the next City of Parsons City Council meeting that will be held on Monday, February 7, 2022 at 6:00 PM.

**Adjourn:**

Kevin Cagle motioned to adjourn the meeting. Second by Jimmy Lynn Walker. Vote: All Ayes
