I: Discussion on Storm Damage

We were fortunate to get electricity back before we ran out of water. The intake at the Tennessee River was down because of the storm. There is not a generator at the intake and electricity was out. Therefore we were unable to pump water to the plant.

We will probably be looking at getting a generator in the future for the intake.

If our clear well had been finished, it would hold enough water to last a long time and we would not have had this problem.

Charles Taylor, Decatur County Chamber Director announced the annual Chamber Membership Dinner to be held on November 21, 2019.

Motion to adjourn by Lanny Taylor Second by Dale Reynolds Vote: All Ayes

Tim David Boaz, Mayor

Judy Daugherty, City Recorder
